

CLOSEFAST™

Your End-to-End Bundled Solution

Imagine being able to close loans in a matter of hours, instead of days, and slashing your closing costs by half! Now you can with our exclusive CloseFAST program. From credit to closing, CloseFAST provides all the required elements to close equity or streamline refinance loans much quicker and more efficiently without increasing risk.

With advanced technology and automated, progressive products, CloseFAST allows you to:

- Close Loans Faster
- Decrease Overhead and Closing Costs
- Improve Operational Efficiency
- Reduce Vendor Management
- Simplify Loan Processing
- Automate Workflow
- Close at the Customer's Convenience, Anytime, Anywhere

BECOME A MARKETPLACE LEADER

Let DataClick™ and CloseFAST empower and transform your lending capabilities. DataClick™ can design a CloseFAST bundled solution tailored to your lending needs, resulting in substantial time and cost savings. CloseFAST will provide you a decisive competitive advantage thereby increasing your market share in the competitive lending industry.

AUTOMATION IS THE KEY

CloseFAST incorporates products that automate the most time consuming loan processes - lien position and property valuation:

- Lien Protection - Eliminate the need for a title search while still protecting lien position. These products give the lender the ability to quickly make an underwriting decision while reducing risk at a cost less than traditional title products.
- Customized Property Valuation Solutions - Choose from individual services or utilize our "bump logic" configured to your requirements. Offerings include:
 - Cascading AVMs
 - Enhanced or Appraiser Assisted AVMs
 - BPOs
 - Traditional Appraisal Products
 - Warranty to Assure Against Overstated Values
